

Kansas Auctioneers Association Board of Directors Declarations

I AM MAKING A DECLARATION TO RUN FOR . . .

President Elect

I would be an asset to the Association because as a current Vice President and Board Member I am focused on growing our association and helping to improve things for our membership in all ways possible.

Bill Eberhardt, 2013 Vice President

Director

I would be an asset to the Association because I have a true passion for the auction industry and believe that I can bring a fresh perspective to the KAA. As the face of the auction industry changes, I believe that it is important that our Association adapts as well. The KAA is an association with rich tradition and values and I think it is imperative to use those traditions and values for the foundation of our growth.

I am a 25-year-old auctioneer who has had a great mentor in this industry. Over the past 4 years I have learned a lot about the auction industry and business from him and have also benefited from being involved with the KAA. I want to do the same thing for up and coming auctioneers. If I were a KAA Director I believe I would appeal to a younger generation of auctioneers. I believe that some auctioneers underutilize the KAA and the resources that the KAA provides.

I think it would be a great opportunity and honor to represent the KAA as a board member. I am passionate and dedicated to this industry and know that I could be a great addition to the Board.

Mike Burkhart

Vice President

I would be an asset to the Association because of having served on the Board of Directors in the past, I fully understand the presence of a variety of personalities and opinions which boldly surface giving enough time and opportunity. With the Assistance of those holding office we can blend many ideas into a unified and practical objective, whatever it may be. Having been a full time Auctioneer in the past and currently a part time Auctioneer, I understand and can relate to the demands and needs of both full and part time members. I would be honored to serve again, and continue to be a part of this family that welcome and values both.

Robert Haley

Director

I would be an asset to the Association because I have been involved in the auction business since 1999. I am currently serving on the Board for the Kansas Chapter of the REALTORS® Land Institute. My full time job is working as a Senior Vice President for the Bank of Tescott in Salina. My responsibility is commercial lending. I graduated from K-State with a degree in Finance, graduated from Graduate School of Banking at Colorado, Missouri Auction School and I achieved the Accredited Land Consultant designation through the RLI. The auction industry is something I have a great passion for.

Curt Marshall

Director

Ed Dewey

I would be an asset to the Association because of my past experiences. These experiences range from being an educator, banker and a business manager. I feel these qualifications would enable me to help the Association in a positive manner.

Voting takes place January 25th at the

KAA Winter Convention
